

IPAA NATIONAL STRATEGIC PLAN 2025 - 2030

OUR PURPOSE: The purpose of IPAA National is to promote excellence and pride in public administration systems across Australia.

OUR VISION: To support a thriving national network of IPAA divisions, building towards a shared purpose that fosters a trusted and capable public administration profession in Australia.

ADVANCING THE PROFESSION THROUGH THOUGHT LEADERSHIP

AUSTRALIAN JOURNAL OF PUBLIC ADMINISTRATION

Publish and drive engagement with the sector's leading resource on the study and practice of public administration, public policymaking, and public sector governance.

ACTIVATE AND SUPPORT DISCUSSION, DEBATE, AND REFLECTION

Strategic projects over the life of this plan to provide thought leadership and shape responses to challenges and opportunities facing the whole of the Australian public sector through short term strategic projects and joint endeavours.

ACTING AS THE NATIONAL VOICE OF THE PROFESSION

EVIDENCE-BASED ADVOCACY

Increase public understanding of the value of the public sector through evidence-based promotion of the profession and its impact.

ORATIONS AND EVENTS

Through a prestigious annual event, invite eminent leaders and experts to speak to contemporary issues or themes affecting the broader public sector in Australia.

INTERNATIONAL ENGAGEMENT

Represent expertise and excellence in Australian public administration internationally.

SHOWCASING EXCELLENCE

CELEBRATE LEADERS

Recognise the dedication and service of distinguished leaders through the National Fellows program.

ELEVATE ACADEMIC RESEARCH AND IDEAS

Recognise influential research in the AJPA through the Sam Richardson Award.

RAISE AWARENESS OF SUCCESS WHILE ACTING AS CUSTODIAN FOR LESSONS LEARNED

In collaboration with, and in support of, the work of our Divisions - shine a spotlight on examples of excellence and lessons learned to build trust and pride in public sectors.
